Blackfoot Word of the Week

Soka'pii
So/Gaw/be

I am good.

Hand of God/Build/Vocation

Read the prayer called “The Mission of My Life” by Cardinal John Henry Newman. Meditate with it today.

“This gives greater value to everything you do. Your work stops being just about making money, keeping busy or pleasing others. It becomes your vocation because you are called to it; it is something more than merely a pragmatic decision. In the end, it is a recognition of why I was made, why I am here on earth, and what the Lord’s plan is for my life. He will not show me every place, time and detail, since I will have to make my own prudent decisions about these. But he will show me a direction in life, for he is my Creator and I need to listen to his voice, so that, like clay in the hands of a potter, I can let myself be shaped and guided by him. Then I will become what I was meant to be, faithful to my own reality.”
