Development Program

Fundamentals

Fun

Fair

- **Focus:** to get as many students involved in sport as possible and to provide guidance and coaching in a sport that kids may have just started or are late developers in the game.
- This group usually primarily consists of grade 7 and maybe a few 8's. Players learn the game, enjoying the competition and developing skill to prepare themselves for playing Jr. or Sr. the next season.
- **Play time** will be close to equal with keeping in mind we play to compete to the best of the "team's" ability.
- Not part of an official league.

Junior/Senior Program

Fair

Teamwork

Student Athlete

- **Focus:** Development of the student athlete and team concepts. All players will receive fair playing time as safety, team, commitment, acquisition of knowledge & skill, attendance and positive participation allows.
- Fair Play Time does NOT mean EQUAL.
- Part of the L.S.A.A and participate in the league and City Championships.
 - Junior league Games: Tuesdays and Thursdays
 - Senior league Games: Wednesdays*
- Sr. will participate in the Zone Championship Tournament if they qualify.

Player Expectations

Represent the School

- Players are representatives of the school and everyone involved with the program.
- Held to a higher standard.
- Respect at all times.

Commitment

- Student athlete.
- Focus on academics.
- Attending team events.

Code of Conduct

- Parameters of Commitment
- After School Expectations

Parent Expectations

Review Parent Code of Conduct.

Parenting and coaching are extremely different roles, but by establishing an understanding of each role, everyone is better able to accept the actions of the other and provide greater benefit to students.

Encourage and praise your student athlete in their attempts to become a better student, athlete, and citizen.

Parents are responsible for providing transportation to and from practices, games, and tournaments. Coach supervision end fifteen minutes after practices and games.

Communication

Player

- Talk to the coach.
- Let them know if you are going to miss practice or game.
- Represent yourself, your parents and your school.
- Check the google calendar and share it with your parents.

Parent

- Check the google calendar.
- Ask your child first
- Notify coach of any schedule conflicts
- Questions expressed directly to coach

Coach

- Philosophy
- Expectations
- Location and times of all practices, games, tournaments are on the google calendar.
- Team Requirements

Communication

There may be situations that require a conversation between the coach and parent. These meetings are encouraged however; in order to help promote a resolution the following guidelines are in place:

1. Parent/Guardian makes an appointment to speak directly to coach to discuss concern.
2. If concern is not resolved, call the school athletic director to arrange a conference with parent, coach and athletic director. All conversations need to be directly pertaining to the betterment of the player and the team.

*24 Hour Rule---DO NOT attempt to confront a coach before or after a contest or practice. These can be emotional times for both the parent and coach. Meetings of this nature tend to not promote resolution!
