#### **1. Call to order – 6pm – Charmaine Uys**

##### **a.) Opening Prayer – Jackie Kraemer**

Heavenly Father,

We gather together in Your presence, seeking Your guidance and wisdom as we work to support our St. Francis school community. Bless this council with open hearts and clear minds, that we may listen, collaborate, and make decisions rooted in kindness, respect, and a shared commitment to our students, staff, and families.

Grant us patience and understanding as we discuss and plan, keeping in mind the values of compassion and inclusivity. May our actions reflect Your love and help us create a nurturing and safe environment for all who are part of our school.

Bless our students, teachers, and families, and let our efforts today bring joy, growth, and a sense of togetherness in our community. We ask this in Your name.

Amen.

##### **b.) Land Acknowledgement – Jackie Kraemer**

Before we begin, I would like to acknowledge that the land on which we reside is the traditional Blackfoot Confederacy territory. We honour the Blackfoot people and their traditional ways of knowing and caring for this land, as well as all Indigenous Peoples who have helped shape and continue to strengthen our St. Francis community.

- Many of the exams are going to be presented as an assessment at teachers discretion.

- Students will be given enough time so two days are built in as needed.

- Teachers have been able to accommodate some of the exam format to determine necessary outcomes and adjust assessments as needed. This year will be a bit different in that they will still get essential outcomes as needed, but assessment will look different.

- Action: Put out to families some information of what to expect exam week and additional prep day (grade 9 prep for high school).

New boundary changes will impact westside more than South side, but may see some changes with the change of FLVT to a middle school. New registration will likely open early February.
