Catholic Education Week

This week, we are excited to celebrate Catholic Education Week together as a school community. As part of our celebration, we invite everyone to wear blue this Thursday to recognize and support Catholic education and the values that unite us in faith. Throughout the week, we will also be sharing a special daily video created collaboratively by the schools in our division. Each video highlights one important virtue and shares a message of hope, faith, love, justice, or self-control. We encourage you to watch each day's video and reflect on how these virtues help guide us in our daily lives as followers of Christ.
