How can I be successful in summer school?

- **Utilize In-Person Support:** If possible, attend Trinity Learning Centre regularly to work on your assignments. Being in a focused environment with direct access to teacher help can significantly improve your progress.
- **Establish a Routine:** Dedicate specific hours each day to your coursework to avoid falling behind.
- **Track Your Deadlines:** Review the July deadline schedule immediately and mark assignment due dates and mid-term and final exam dates in your calendar.
- **Proactive Communication:** Reach out to your teacher as soon as you hit a roadblock, don't wait until the day an assignment is due.
- **Work Ahead:** Take advantage of early access to materials to build a "buffer" in case you need extra time for more difficult units later.

Frequently Asked Questions

- **Firm Deadlines:** All assignments must be handed in on or before the due date.
- **Flexibility:** You are encouraged to work ahead and finish early if possible.
